Projectbook

100+ project ideas for learning any programming language

Brett Chalupa

Introduction | Projectbook

Over 100 free project ideas for learning how to program with detailed specifications and mock-ups.

🔗 brettchalupa.com

The more coding challenges, projects, and error encounter the more na gumagaling ka!

KAYA MO YAN!!!

IT/CS
na gustong maging programmer

1. Aralin

2. Apply ang inaral

3. Kung magkamali?

fix it - search for answer - ask for help

4. Repeat

BastaProgrammer
